# DualPro

## HARD-SHELL CASE WITH IMPACT-ABSORBING CORE

Defend your device with the fan favorite two-piece DualPro® Case. The impact-resistant Plextonium™ polycarbonate frame with a shock-absorbing dLAST™ TPE inner core is perfect for everyday use. The two layers of interlocking defense work together to protect your phone from heavy wear and tear with excellent impact protection. The DualPro® Case's slim outer shell features a comfortable soft-touch finish for added comfort.

# Twill Block

## FLEXIBLE IMPACT-RESISTANT CASE

Form-fitting and built to last, the Twill Block case features Flex2O™ TPU soft shell technology for lightweight and reliable protection. Its slim design is perfect for everyday use and fits comfortably in your hand so it feels like just another part of the phone. Adorned with an eye-catching pattern for bold style that also doubles as a grip enhancer, the Twill™ Block case delivers dynamic visuals with durable drop protection.

# [Performance] Series Level 4

## ULTRA-RUGGED DROP PROTECTION

Offering premium protection, the [Performance] Series Level 4 Case is composed of quad-layer defense technology. The dual infused scratch-resistant outer shell is tough against harmful drops and dents, while the interior impact ridge delivers military grade shock absorption. With an included holster for convenient carrying, the [Performance] Series Level 4 case delivers outstanding drop protection while maintaining a sleek profile.

# [Performance] Series Level 3

## SUPERIOR DROP PROTECTION

With tri-molded material engineered into one piece, the [Performance] Series Level 3 Case offers reliable protection against harsh drops and bumps. The hard shell back provides solid defense, while the integrated bumper absorbs the impact of a tumble or collision. For rugged users seeking powerful drop protection in a sleek frame, the [Performance] Series Level 3 case is the solution.
